Join us for the first annual Strut For Mutts — a community walk benefiting Rescue Network, a nonprofit dedicated to saving the lives of dogs and cats in need with our focus helping Reservations in South and North Dakota.

In 2025, we anticipate helping over 1,500 animals find loving homes and covering more than \$1 million in veterinary care.

By becoming a sponsor, your business will play a direct role in funding rescue efforts, medical treatment, and adoption services — while showing the community that you care.

Support the cause. Stand out locally. Strut for something that matters.
